Description :

Prsentation de l'diteurJeff Resnick hardly knew his well-heeled half-brother. But after suffering a fractured skull in a vicious mugging, he reluctantly accepts the fact that he has a long and brutal recovery to faceand his closest of kin can provide him with the time and place to do it. Now, Jeff is haunted by unexplained visions of a heinous crimea banker, stalked, killed, and eviscerated like a ten-point buck. When Matt Sumners murder is discovered, a still-recovering Jeff realizes this was what he had seen. Jeff must not only convince himself of his new-found psychic ability, but also his skeptical brother Richard Alpert. Since Sumner was Richards banker, both brothers have a stake in finding out what happened. With Richards

reluctant help, Jeffs investigation leads him to Sumners belligerent family and hard-nosed business associates, none of whom want him snooping around. When Jeff discovers a second victim, he knows he must relentlessly chase his quarry even if it means risking his brothers life. This fine paranormal amateur sleuth will send readers shuffling off to Buffalo to accompany Jeff on his investigation.--Midwest Book Nicely written and quite twisty.--The Book Bitch Murder on the Mind was a very compelling read, the plot tight and well-paced, and the relationships among the three principals (Jeff, Richard and Brenda) fascinating and cozy. I found it difficult to put down.--The Cozy Library This book was a great ride that I didnt want to get off. I fell in love with the characters and I love the tone of this story. This is a good read and I highly recommend it. Drus Book Musings Murder On The Mind catches your interest from page one.--

BestSellersWorld.com When Jeff Resnick begins to recover from a severe brain injury, he discovers he has the ability to sense past events --including a murder -- but nobody believes him. Resnick is a fine character, with a strong sense of right and wrong. This is a page-turner. -- Barbara DAMato, award-winning author of FOOLPROOF "Put yourself in Jeff Resnick's shoes: You've suffered brain damage from a vicious mugging, and now you 'see' allegorical visions of murder in troubled nightmares and in even more troubling, conscious hallucinations. L. L. Bartlett does a wonderful job of showing us how difficult such a life can be as Jeff tries to overcome his own tragedy by using his new gift to investigate others. Beautifully written in a stark, spare style, MURDER ON THE MIND is a perfect choice for anyone open to a paranormal thread in a lovingly woven crime novel."-- Jeremiah Healy, author of TURNABOUT and THE ONLY GOOD LAWYER:L.L.

Bartlett is a New York Times bestselling author. Murder On The Mind was originally published in hardcover by Five Star/Cengage. Published in paperback by Worldwide Mystery Library.###The Jeff Resnick Mysteries: Murder On The Mind Dead In Red Cheated By Death Bound By Suggestion Dark Waters Shattered Spirits Prsentation de l'diteur Jeff Resnick hardly knew his well-heeled half-brother.
