Description :

Prsentation de l'diteur"I like a dessert to make me feel slightly guilty about eating it, but not enough to make me stop." Susie Kelly The 2nd instalment of the travel author's delightful round-ups of her favourite quick, simple, easy recipes, sprinkled with anecdote and humour. Susie makes no claims to being a cooking queen. She admits that over the years she has made every cookery mistake possible, including pouring hot oil back into a plastic bottle and watching the bottle melt and flood most of the kitchen. Then there was the great icing sugar misunderstanding.... but in The Lazy Cook she has put together an irresistible collection of the

tasty, comfort-food recipes that are enjoyed by her family and friends, spattered with generous blobs of anecdote and humour. Quick Easy Sweet Treats follows on from The Lazy Cook Book 1: Quick Easy Meatless Meals. One of those rare cookery books that won't be left on the shelf, but will mature with well-thumbed age as its pages become patterned with stains of food, wine, cream, butter and all things delicious "Susie Kelly has an easy laid back style, which I find very pleasant reading. Her descriptions and commentary are delicious, and I enjoy just browsing the book." US reader Presentation de l'diteur "I like a dessert to make me feel slightly guilty about eating it, but not enough to make me stop."
